EVENING MYSTERY TOUR

***** *Now in its 25th year* *****

Friday 29th July 2011

Once again our ever-popular Evening Mystery Tour of the Sussex countryside will take place on the Friday preceding the Worthing Bus Rally. It is planned to use two interesting vehicles, one of which is likely to be an open-topper!

The tour will start from Hove Railway Station at 18.00 (parking space available in the local side streets, but you are now likely to have to pay for this - remember to check), then pick up at Brighton Railway Station (top of Queens Road) at 18.15. On leaving Brighton we will have our usual tour of the Sussex Countryside before descending on a small country village for a stop of about 90 minutes. We will pick somewhere with a selection of traditional English pubs to suit all tastes, where food and drink will be available. After we are suitably refreshed we will then travel direct back to Brighton and Hove to arrive by about 22.30. This should be in good time for last trains and buses to most locations, but can those with specific connections please advise on the booking form.

As usual members of other local transport groups and friends will be very welcome to join us for this trip.

No fares will be charged on this tour. However, as it costs between £8 and £10 per person to offset expenses of those who provide the vehicles that we use, we will be giving passengers the opportunity to make a voluntary contribution towards this cost.

You may reserve you seat(s) for this mystery tour either by post or e-mail.
